

FALL FUN DAYS

Neosho District in conjunction with James Hodge Ford Lincoln Mercury will conduct Fall Fun Days, October 25, from 10 am until 4 pm. Activities for Boy Scouts, Webelos and Cubs Scouts have been planned. October 2008 Cub Scout theme is “Adventures in Books” bring a book to be donated to children that do not have books.

Boy Scouts will have an opportunity to earn the Auto Mechanics Merit Badge. A technician from James Hodge Ford Lincoln Mercury will instruct the course and Scouts will be able to get hands on experience in James Hodge Ford modern service department. This is a once in a lifetime opportunity to get first hand experience in a state of the art service department with a real professional in auto diagnostics and repair.

Webelos will have the same opportunity as Boy Scouts to experience the inner working of an automobile repair shop on their level. They will be able to complete the requirements for the Handyman activity pin under the direction of a James Hodge Ford Technician. There will also be time for them to participate in the Cub Scout fun fair if they so desire.

Cub Scouts will be able to participate in a plethora of FUN FUN FUN activities. The activities will include tie slide making (car), fishing game, bean bag throw, catapult (put the TP roll in the commode), balloon powered car races, book markers, and many more.

JAMES HODGE WILL BE FURNISHING THE HOT DOGS AND DRINKS. All this for a book (new or used) so children can enter the exciting adventures of books.

The fun begins a 10 am October 25 at James Hodge Ford Lincoln Mercury 1200 N. Main, Muskogee, OK.
